

Performance-Based Regulation Proceeding

Workshop A

Hawaiian Electric Companies
August 7, 2019

**Hawaiian
Electric**

What the Companies Can Provide

- ◆ Dedication of executive level attention, participation and analytical and support resources;
- ◆ Practical perspective on interrelationships and direct and indirect impacts of potential changes;
- ◆ The “patient’s” perspective;
- ◆ Active participation in working groups and collaborative development of work product;
- ◆ Active participation in financial analysis, modeling efforts and evaluation of proposals;
- ◆ Collegial, open and transparent discussions, with mutual agreement and stipulations as goals

What the Process Can Provide

- ◆ Fair, open, collegial, collaborative and informed working group process;
- ◆ All stakeholders participating in and contributing to detailed modeling and analysis necessary to develop workable solutions;
- ◆ Data from other parties;
- ◆ Willingness to compromise to reach mutual agreement and stipulation;
- ◆ Timely guidance and feedback from Commission and Staff to allow course correction as necessary
