Re: Notice of Status Conference on Tuesday, February 4, 2020

By this letter, the Commission gives notice that it will convene a status conference, to be held on **Tuesday, February 4, 2020, from 1:00 to 3:00 PM**, at the Public Utilities Commission, 465 South King Street, #103, Hearing Room, in downtown Honolulu.

The first 30 minutes of the Status Conference will provide Young Brothers with an opportunity to present to the Commission on its "Proposed Changes to Livestock Procedures" as discussed at recent public meetings that the Commission has held throughout the State for Young Brothers' pending rate case, and in public comments that have been received by the Commission.

During the subsequent 90 minutes of the Status Conference, the Commission, the Consumer Advocate, and other interested stakeholders will have the opportunity to ask questions and provide comments regarding Young Brothers' "Proposed Changes to Livestock Procedures." Attached also to this Notice is a Young Brothers document describing the "Proposed Changes to the Livestock Procedures."

In the interest of maximizing time for questions and comments after Young Brothers' presentation, the Commission instructs any interested stakeholders to email Amanda Hustrulid at amanda.r.hustrulid@hawaii.gov, providing an RSVP indicating (1) if you will be attending the Status Conference (a) in-person or (b) remotely, by phone or online, and (2) if you intend to ask questions or provide comments, following Young Brothers' presentation. Please provide an RSVP by 12:00 p.m. on Friday, January 31, 2020.

The Commission will organize the time for the latter 90 minutes of the Status Conference based on the RSVPs from interested stakeholders indicating an intent to ask questions or provide comments -- further direction regarding organization will be provided at the Status Conference. The Commission will try to accommodate as many questions and comments as is possible within the time provided.
