Aloha,

My name is Jarrett Agtarap, a resident on the island of Lāna`i. I am emailing you in regards to the new changes of Young Brothers shipping essential vehicles and cargo only. I had purchased my first vehicle at a dealership in Kihei Maui in the Month of March. The day after my purchase, Young Brothers made the public announcement of shipping essentials only. I was very saddened and upset because I relied on my vehicle to harvest food for my family while I go hunting and fishing. It is a major essential for me with the shortage of foods at the stores and the prices sky rocketing, it has made it necessary for me to go fishing and hunting. I am asking kindly to please lift Young Brothers new policy and continue to ship personal vehicles to Inter-island for I am in need of my vehicle.

Mahalo
