Subject: [EXTERNAL] Young Brothers and Equine shipments.

I think it's ridiculous that Young Brothers is implementing "No box stalls for horses" before the PUC has made a decision. This brings the cost for inter island shipping on a horse in excess of \$2,000. Without a State run ferry, Young Brothers is taking advantage of the monopoly they have and it will severely hurt Hawaii's long history in horsemanship and the future of the Paniolo lifestyle. Please do your part and serve the public by stopping this ridiculous process.

Thank you,
