Aloha Hawaii PUC Commissioners and Board of Directors Members,

I am contacting you regarding Young Brothers advising they may no longer ship livestock to and from Kauai. If this comes to pass, it will put many, many ranchers, farmers, and others out of business, and will significantly affect the economy and standard of living on Kauai. I ask that you do not allow Young Brothers to arbitrarily cease transportation of livestock to and from the island. They are the sole provider of shipping livestock, and other alternatives are not available.

Thank you for your consideration and assistance regarding this matter.

Regards,

Chris Bearden
