1. General Requirements

All passenger and property motor carriers, regardless of revenue level, shall file, **HI-PUC-FORM 03-010** with the Commission. The only financial information required in this report is the carriers' gross regulated revenues to compute its PUC Fee. However, all motor carriers are reminded that they are required to comply with Hawaii Revised Statutes (HRS) Chapter 271 and Hawaii Administrative Rules (HAR), Title 6, Chapter 62 (aka Chapter 6-62), Motor Carrier Rules and Classification of Passenger and Property Carriers. For financial reporting requirements, see subchapter 7 of HAR Chapter 6-62.

All motor carriers are requested to keep their records and financial reports prepared in compliance with the Uniform System of Accounts (USOA) for Passenger and Property Carriers. For each calendar year, financial reports should be prepared similar to HAW-PUC FORM 03-020 and shall be completed by June 1st of each year and shall be kept at the carrier's place of business. Each year, all motor carriers shall be able to furnish a copy of this report upon Commission request.

On 12/3/2007, the Commission issued Decision and Order No. 23862, in Docket No. 2007-0159, which stated that beginning with calendar year 2008, all carriers reporting PUC regulated revenues of more than \$1,000,000 shall file, HAW-PUC FORM 03-020, revised 1/1/2009, by June 1st for each of the four calendar year period during which the Zone of reasonableness remains in effect. In addition, HI-PUC-FORM 03-010 must continue to be filed by April 30th of each year.

Carriers with gross revenues of \$1,000,000 or less shall continue to file HI-PUC-FORM 03-010 by April 30th of each year. These carriers shall also be able to furnish a copy of HAW-PUC FORM 03-020, revised 1/1/2009, upon Commission request.

If a carrier does not provide the Commission with the requested financial reports and/or financial records are not kept in compliance with the HAR Chapter 6-62, the Commission may initiate show cause proceedings to revoke the carrier's certificate or permit.
